

## Holy Week Devotions - Saving the World

This short devotional book is for busy Christians everywhere who want to make Holy Week special in their lives, but due to increasing demands, are not able to set aside a great deal of time to reflect upon each sacred day. Every day in the book is divided into three separate parts: - a short morning devotion, a mid-day prayer, and an evening poem of reflection. There is also a different art image for each day to help the readers meditate. By the end of the book, Holy Week should become more meaningful to everyone who undertakes and completes this short, but very important, spiritual journey.
