

# Slovene: A Comprehensive Grammar (Routledge Comprehensive Grammars)

Slovene: A Comprehensive Grammar is the most complete reference guide to the contemporary language. Key features of this new edition include: updated examples reflecting current usage, expanded discussions of particular areas of difficulty, a brief history of the language, dialects and register, clear distinction between written and spoken usage, new tables and charts for quick reference. The Grammar provides a jargon-free and systematic description of all parts of speech promoting an in-depth understanding of the Slovene language. Slovene: A Comprehensive Grammar is a key resource for linguists and students of Slovene at intermediate and advanced levels.
