

The Kindred of Darkness: A vampire kidnapping (A James Asher Vampire Novel)

When James Ashers daughter is kidnapped by a Master Vampire, the stakes could not be higher. When James Asher and his wife Lydias baby daughter Miranda is kidnapped by the Master Vampire of London, the stakes are high: blindly follow the Master Vampires instructions, keep out of the way of the human networks that serves the vampires, destroy the interloper who seeks to seize control of the London Nest, and find the key to the Nests tortuous inner workings: The Book of the Kindred of Darkness. Even with the vampire Don Simon Ysidro on their side, theres no guarantee that anything - or anyone - is who or what they appear to be. Nor is there any certainty that theyll see their child again - or survive the experience themselves.
