

## Angel At My Door

Mommy, mommy! Did you see all the angels that stopped the cars? From children saved in the middle of a six-lane California freeway to groceries brought to a starving family, these stories of unexpected encounters with Gods messengers will encourage, inspire and amaze you! The Bible is filled with accounts of angels. Billy Graham states that there are more of them than stories of demons. There is a mystery and excitement with each angelic encounter- no one knows where or when or whom will visit next. But be assured, they will. These heart-warming stories point readers to the God who loves us so much that He sends His messengers to us at critical times in our lives to protect, defend, encourage and supply our needs.
