

Fantasy: Destined To Love You - A Romance Fantasy Series (The Ring of Amun-Ra, Fantasy, Romance Fantasy, Fantasy Series Book 4)

ONE RING. ONE CURSE. ONE LOVE. The Ring of Amun-ra Book 4: Destined To Love You After Collin survives the last encounter they had with the soldiers, he goes into a coma while Lila grieves his death. Frank and Caleb hide the fact that Collin had survived because they feared that Lila would be like her mother and start a murderous blood lust, unleashing her powers and killing everyone in her sight because of her anger. Before long, Lila recovers from her injuries but her heart still grieves for Collin. She feels like she will never get over Collins death but holds on to her sanity because of their child. She vows to raise their son even without his father. Meanwhile, Caleb shows his support and care to Lila while they are together and Lila starts to get mixed feelings about him. Since Collin is still in a coma, Frank asks Lila to resume his quest and find the clue to the next destination, which she does and they end up in Spain, the place where she last saw her mother and the place where Collins father hid a precious treasure.
