

Jeremy: The Night Touched Chronicles Book 2 (Volume 2)

The search for another Night Touched leads Harper and the others to the Big Easy, where things become everything but. Tired, vengeful and ready to bring down the entire Slayer organization, Harper chooses to focus on her mission and forget about her heartbreak. Silass mind is in the same place. With eyes already on the preacher, he makes it his goal to get to him before Harper does. He quickly learns that its hard to see a plan through in another state and has to hit the road with his lieutenant, John. Jeremy has always had a strong belief in God. After being turned, he struggles to find his new place between being a man of God and a blood sucking fiend. After a chance meeting and a confrontation, Jeremys mind has never been more torn.
