

Hoovers Handbook of Private Companies 2015

Hoovers Handbook of Private Companies is a unique resource filled with hard-to-find information on non-public U.S. enterprises. Unlike other business resources, it includes in-depth company profiles featuring the personalities, events, and strategies that have made these enterprises major players-information you are not likely to find elsewhere. It is a valuable reference for business executives, salespeople, job seekers, students, consumers, and anyone with a need to know more about Americas influential private enterprises. Includes 900 non-public US companies
