

When God Calls A Woman

Have you ever wondered why many women do not seem to be concerned about Gods calling? Its not because women are lazy or uninterested in what God is doing today in the latter days. It simply stems from the wrong idea that God can and will only choose a man to lead his people or fulfil his purpose. It is not a good idea at all because God has clearly exhibited in His Word that women are valuable and can contribute greatly to societys wellbeing. In this book, Pastor Portia Luthuli, seeks to address and redress this social imbalance and reveal that God can and will call women for His Divine Purpose. When God Calls A Woman will help any woman respond to their calling with ease, deal with rejection and scorn and use the anointing in their lives to turn things around and change society for the better.
