

## Return To Fae (Fae Realm) (Volume 2)

Return to Fae is the sequel to Ianthe, and begins right after the events of the first book. Ianthe, convinced that she may be forever separated from Conall, tries to leave her Fae roots behind. At the start of her senior year, she befriends a new girl who becomes like the sister Ianthe never had. All seems to be going well until Ianthe discovers that someone close has a vendetta, leaving her with no choice but to return to the one place she was told to never go. Meanwhile Conall is desperate to be reunited with Ianthe, but his orders are clear: he is not to go after her, and he follows orders, until Ianthe makes a decision that he just can't ignore. As peace between the Seelie and Unseelie Fae hangs in the balance, Conall knows he will have to defy his king in order to save the girl he loves.
