

Finding Your Voice The Road to Publishing and Marketing

Halo Publishing International has been making the dreams of authors a reality for more than a decade. In that time, we have been imparting wonderful information about the publishing process and nuggets for success including, but not limited to: business planning, goal setting, target-marketing, and developing good business sense about the publishing world. After all, we don't just publish books, we help new authors understand how to market their books and develop a brand new business. This Publishing Guide is more than a collection of useful information; it is a tool for success.
