

Decisions

Each day we face the task of making decisions. It can be anything from what to eat or maybe what bills to pay. Your decision might be family or work related.

There are about seven billion people in the world and I can almost guarantee you that six billion nine hundred and ninety-nine million nine hundred and ninety thousand are making a decision right now. However, this book, this decision is the mother lode of all decisions, it reflects all your future choices. This is really and truly, the one and only life time decision. If you make the right decision and believe in it you will have strength, peace, joy, and knowledge. If you don't well I do not even want to go there. So are you ready to have your world turned upside down take a chance, read this book you cannot go wrong but you will never know that unless you read it.
