

## Saint Of Sinners (Alex Holden) (Volume 2)

After saving the world, Alex thought high school would be easy. He was wrong. Not only does he have to hide his powers, he has to deal with bullies, try to make new friends, and gather the courage to ask a girl out on a date. Then there's the other side of his life: learning how to fly and shapeshift, saving people, avenging cats, and of course hiding from his father, Satan. He wants to take Alex to Hell so he can help him end the world. No way, not gonna happen. Balancing these two lives works for a while, but then they crash into each other and everything Alex dreamed of gets taken away. Good thing he's used to fighting for what he wants.
