

## The Pizza Gang: Facing the Witch

When the neighborhood witch is out to get you, you'll do just about anything to avoid her! That's how twin brothers Joe and Ben, along with their best friend Katie, wound up volunteering to sort through the lost property at the police station. When they uncover a beautiful hat sent to a bride-to-be during a war decades ago, they find themselves in the middle of a mystery that needs solving. Determined to re-unite the hat with its owner, Joe, Ben and Katie come up with a plan involving their eccentric friend, Major Pain In The Butt and his turbo-charged wheelchair. But a series of disasters involving the witch, a cardboard cut-out of Brad Pitt, a bottle of nerve-calming sherry, a moldy theatre curtain and the theft of the hat bring a sudden end to the children's quest. Will they ever find the hat's owner?
