

## Lead Like A General

Combining the best in modern research on leadership with real life examples from the American Civil War, Lead Like a General will help people in any field hone their leadership abilities. Using many engaging and untold stories of a day-in-the-life of a Civil War leader, this book shows how the research on leadership styles, organizational structure, brain dominance and other related fields can be seen in the actions of these historical figures. A must read for those interested in developing their leadership abilities, as well as those looking for new insights into some of the leaders, both north and south, from this pivotal period of history.
