

## Astro Nuts - VeggieTales Mission Possible Adventure Series #3: Personalized for Antonia

VeggieTales Personalized Mission Possible Adventure Series (6 books) Your child's name is inserted throughout each story making them the hero in each book! #3 - AstroNuts Blast off with Bob and Larry as they head to the Nutty Sundae Deep Space Ice Cream Shop. But beware! Our heroes are not just in the search of a triple scoop sundae with caramel sauce and a cherry on top. They have been given a very serious assignment by Mission Control: to save all the ice cream in the universe! Greedy robots have taken over the ice cream shop and are refusing to share the ice-creamy goodness. It's a Mission Possible Adventure of the most delicious kind! Through it all, there's a lesson to be learned: When you keep everything to yourself it doesn't make you happy. Only when you share do you have true happiness! And the adventures don't end here! In the next Mission Possible Adventure, your child will land on Dinosaur Island for a lesson in encouragement. See what happens next in book 4, Jurassic Playground So buckle your seat belts and let VeggieTales carry you to faraway places, from the depths of the seas to the heights of the stars.
