

## Cyber Sonnet Card: Inspirational Empathy

Promotion: Empathy free 12/21 through 12/25. Introducing Cyber Sonnets - The easy way to send a sonnet. Card Text: Empathy There is a gift for caring girls and boys: Who understand when others might feel pain. A gift that every mom and dad enjoys. A gift: it takes an adult to explain. Sometimes, we know a stranger might be sad - And understand, cause we are often blue. We see when they are lonely, down or mad, For sometimes: this is how we're feeling, too. And on those days, we need a sense of home - We feel the pain of others - and we care: For when we do, we know we're not alone, You see - it's being human, that we share. The act of love, defines us when we help: The minds of others, where we find our self.
