

# Lord, I Believe...

Lord I Believe...The Power of God to Transform Your Life In Lord I Believe...The Power of God to Transform Your Life Pastor Jim Ayers and writer Robert Mims take a look at the process of receiving the blessings provided to believers through the sacrifice of Christ. The inspiration behind this book is a confession written by Pastor Jim which became a point of faith during a very dark time of depression in his life over ten years ago. The confession has now become a weekly statement of faith to the congregation of Life Church in Salt Lake City. With the uncertainty of the day in which we live this confession has become a point of victory in the lives of many of Gods people. It is not a magic wand that can be waved to produce desired results. Rather, it serves to remind us of Gods amazing ability to take the tragedies of life and turn them into our greatest moments of victory.

Jim Ayers is a pastor, a denominational official, a camp speaker, a church planter, an author, a father and grandfather. With over 36 years of full-time ministry he has experienced his share of great battles followed by even greater victories through faith in God. He loves to encourage people in the faith and teach them the powerful truths of Gods Word. To that end he currently serves as Senior Pastor to a dynamic and growing congregation in the Salt Lake City, Utah area known as Life Church. God has used this church to reach thousands of people with the life-changing message of Jesus Christ. Jim, and his wife Carrie, have two grown daughters and six grandchildren who are a joy to their lives.
