

Wrapped in The Fathers Arms

Charlene Ward was born and raised in the rural area on North Carolina. She is the youngest of 11 siblings. While growing up, Charlene learned to appreciate God and what He means to her. Charlene graduated with a Bachelors Degree in Social Work. She faithfully believes in the motto helping others help themselves. She feels that her education has given her the knowledge about life and people, but her greatest learning was of the word of God. She says her desire to learn more of God gave her the motivation to reach out and help others. She received a certificated of completion from the Daniels School of Prophets in 2011. She later went on to graduate from the Bethel School of the Bible in 2012 where she enhanced her knowledge about the Bible. Charlene is the author and poet of the book entitled Fruits of the Spirit, her very first project. She is a devoted church member working as a youth leader who loves the Lord and she is not ashamed of the Gospel of Jesus Christ.
