

Morgan Gets Cracking (Formac First Novels)

Morgan doesn't like the new kid, Curtis, who can juggle, do karate and play guitar, and loves to brag about it. But some of the kids in his class are impressed, especially when Curtis teases Aldeen, the Queen of Mean who isn't even mean back! Does Aldeen actually like Curtis? A game of egg toss at a neighborhood party will show how Aldeen really feels. Who do you think ends up with egg on his face?
