

ACHIEVERS DAILY TONIC

Achievers Daily Tonic will help you in many ways. The benefits are applicable to all, whether you are a student, worker, manager, entrepreneur, consultant, and the owner of a professional practice or a motivator. This is because, Achievers Daily Tonic is designed to tell you the way it really is, instead of giving you vague theories and philosophies. This will help you avoid much of the trials and errors in life and save you a lot of time, energy and unnecessary stress. Therefore, if you study and gradually implement the principles and strategies you will learn from this daily devotional book, you'll not only hit your academic, personal and business targets but you will excel in all areas of your life. Specifically, this devotional book will show you how to focus on your abilities/strength, so that you can maximize your brainpower in becoming an achiever. In addition, you'll learn how to build a stronger foundation for the future. The reason I'm so confident that the ideas in this devotional book will work for you is because they are already working for me, and thousands of my clients. Every day you will find a variety of strategies and techniques enhanced by anecdotes and inspiring stories. Each day has its own daily Bible reading that when followed, you would complete reading through the entire Bible in just 4 months. Alternatively, there are other Bible reading plans towards the end of this devotional for you to use. Each day also introduces a practical application centred on a specific achievers principle/strategy that will help you to focus and perform better. Use this devotional book as a continuous work-in-progress that you can refer to, over and over again.
