

A Mermaid in Whitecap Bay

Runner Jennifer Miller tries to ignore the mysterious happenings down at Whitecap Bay. She has other things to worry about a new school, new friends and an upcoming track meet to name a few. But why is Darrell Hanley spending so much time at the beach, and what are the strange things he keeps carrying back and forth? When Jennifer's curiosity gets the best of her and she follows Darrell, she finds more than she bargained for. There is a mermaid trapped in the Bay, and Darrell and Jennifer, along with Jennifer's unruly dog, Tyrone, embark on a quest to free the mermaid before she is found or worse. Can they win this race against time?
