

## Secrets Of My App Success

Secrets of My App Success is largely known as The Bible of App Development for Non-Programmers. It guides people of all technical levels through the app development process without needing to know a single line of code, from idea conception to hiring the right team, to getting your first paycheck. Follow the steps in this book and have your app idea making money in no time. Youve probably read about author Jesse Waites from [www.PNTHR.com](http://www.PNTHR.com) in Entrepreneur Magazine, Wired, 9to5Mac, The Boston Globe, or elsewhere. He lives in Boston and guest lectures at MIT about App Development and App Marketing. He was one of the first developers to make apps for the iPhone, and now runs a professional app development firm from his office in Cambridge near MIT and the Charles River. He now shares his systems and techniques so anyone can build an app- and a business.He did it all without knowing how to program a single line of code, and you can too. Why reinvent the wheel and make costly mistakes when you can learn the entire system from a legitimate, experienced expert? Buy your copy today.
