

## The Deceiver (The Deceiver Saga)

(Book1 of The Deceiver Saga) In this supernatural mystery thriller, The Deceiver, college student Melanie Bishop finds herself stranded across the globe and thrust into the middle of an otherworldly battle that's been raging since the dawn of time. Melanie makes a decision that will change her life forever. But choosing to accept her role and her destiny doesn't mean the battles are over. It means the war has just begun. After returning home, demonic sergeants seek to unravel Melanie's life by bombarding her with psychological and physical attacks. The enemy is desperate to stop Melanie from fulfilling her destiny and impede her ongoing mission of protecting a mysterious artifact. Not only must Melanie endure their attacks, but she is forced to confront her anguishing past through vivid flashbacks. She must resist the advances of a master seducer. She struggles with her long-denied feelings for a handsome, kindhearted coworker. Melanie must rely on her faith, angelic warriors, and the wisdom of her fiercely loyal friend Elisabeth to help get her through. Feeling inadequate and humbled, Melanie attempts to piece together her full purpose in this call of destiny and embrace the demands it comes with. Her success is as imperative to the fate of humankind as it is to her own. Her journey has only just begun.
