

# Spanish Grammar for Independent Learners

A complete reference grammar book of Spanish. Explanations are provided in English, examples translated, for easy understanding. The grammar is completely cross-referenced for quick access to further information if needed. Summary charts give an overview of each topic and enable readers to check information at a glance. Complete conjugation tables give immediate access to verb forms. The appendix contains a list of more than one thousand verbs with their complement structure. Another special feature of the book is the self-correction strategies which help users diagnose and correct their own errors, as they learn the language and use it to communicate their thoughts orally and in writing.
