

## The Moon Whisperer: The Celestial Friend

A book full of fantasy and magic. Luna Nimue is a young witch, who was placed into Clare Abbey, a convent on the Irish coast, when her parents were abducted. Using magic to travel through time and her newly-discovered shape-shifting abilities as a tengu; a mythical winged dog, she explores and develops her magical powers. At the same time, she yearns to speak with the moon, for which she has a great affinity, and is curious to learn the fate of her parents and try rescuing them.
