

## The Five Laws That Determine All of Lifes Outcomes

Success is predictable. This audio book is about the laws that govern successful outcomes...whether its more money, fulfillment, self esteem, better health, connection with others, or any other aspect of life. Five laws control our outcomes in life... whether we know them or not. These laws control our speed and trajectory in life and most importantly how we deal with others. Harward outlines in practical terms how those who are super successful apply these laws differently than those who are merely average or above average.
