

The Great Railway Conflict

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Great Railway Strike of 1877 and Newspaper Coverage Railroad Wars are very common in American history. Although they were usually little more than legal disputes inside a courtroom, they sometimes turned into armed conflicts. There was a great deal of legal maneuvering, and even threatened violence between rival gangs of railroad workers. To break the impasse, Not all railway companies kept records but the Pennsylvania alone carried nearly a million military personnel during the conflict and the Illinois Central over half **The Great Railway Conflict (Classic Repr, John Work Garrett pdf** Excerpt from The Great Railway Conflict Notwithstanding the largely-diminished charge for passengers, the results show an increase of revenue upon the main **The Great Railway Conflict (Classic**
