

## Cinderella Dressed in Ashes ( Book #2 in the Grimm Diaries )

In book 2 of the Grimm Diaries, Loki is controlled by the Queen through his Dreamhunters Fleece, and he's now Snow White's enemy. No one's sure what the Queen of Sorrow wants to do next, and what her plans with Sorrow are. In a new Dreamory, Snow White learns who the real Cinderella really is, where she came from, her relationship with Sorrow, and what historical period she affected with what she calls the Forbidden Art. Also, Axel and Fable learn Loki's true identity, Charmwill's true name, and a little bit about themselves.

All historical facts concerning Venice, Dracula's rare manuscript, glass manufacturing, origins of cinder, and burning cities mentioned in this novel are true.
