

Grown-Up Leadership - Workbook: The Personal Growth Process for Leaders and Their Teams

This workbook helps you outgrow beliefs and behaviors that limit your success as a leader. Through a series of targeted exercises, guided reflections, self-assessments and interactions with others, you will accelerate your growth in leadership. Its a proven, holistic approach that thousands of leaders credit with making major impacts on their work and personal lives. Youll gain maturity, versatility, and a heightened ability to coach and work productively with both individuals and teams as you increase your self-awareness and address biases and blind spots. The workbook is designed as a free-standing coaching tool that leaders can use to become truly grown up.
