

## The Unspoken Heart Cry: An inspiring story of a desperate soul, who found results in the midst of lost opportunities.

Behind every Victory is an unspoken heart cry. The jackets and make-up serve as smoke screens. It hides wells of tears shed by people whose dreams and expectations have been grounded. Discover how the lessons and principles in this book unlock the mysteries of your life, lifting you up to a place of hope and joy. Though your spiritual leaves may fall, but your heart still remain intact in the hand of Almighty God.
