

Recruiting the Best Talent

Pat Brill believes that a synchronized, balanced and skilled team is essential for the success of your business. After more than a decade in corporate HR and now as a management consultant, she brings a level of street smarts and high-level interpersonal strategy to a topic many managers find perplexing, in this new and powerful virtual coaching guide to Recruit the Best Talent. Rather than risking losses to productivity, culture and an endless turn over instead set in place these powerful & repeatable strategies to identify, recruit and hire and retain the very best team. Breaking down the recruiting process into three key phases, Identify, Recruit & Hire, Pat brings a fresh take on these traditional elements that will prepare you to build and nurture a powerful team. Imagine building a team that creates an enduring foundation of interpersonal and effective personnel dedicated to your businesses success! Rather than focusing on team training theory, Pat focuses on empowering your communication and leadership skills to Identify, Recruit, and Hire the very best! A good manager can transform a teams effectiveness from the very beginning and throughout the life of a growing business. Dont leave the foundation of your business success up to chance. Dive into Pats new virtual coaching guide today to avoid communication pitfalls and fix ineffective patterns in your team leadership.
