

ROMANCE: PARANORMAL ROMANCE: Shades of Werewolf (BBW Alpha Babies Action Romance) (Fantasy Pregnancy Young Adult Romance)

A curvy Wolf on the run PLUS a hot Werebear taking her captive PLUS a dangerous enemy on their heels! Between taking care of her twelve younger siblings and always making sure the household is clean and orderly, Mary Locke has never had a moment to herself. She has always felt like an outsider, even in her own family. In a community of Wolf Shifters where lean muscle is the epitome of beauty and worth, Mary's curvaceous frame only highlights that she doesn't fit in. Then one day, she does the most daring thing she could do: she runs away straight into Andre. He is a Bear shifter, a traditional enemy of the Wolves. Andre once had a wife and daughter, but when cruel hunters killed them, the best part of him went with them. Since that day, he has had one focus in his mind; to find and kill the hunters that killed his wife and daughter. But when the Wolf finds herself falling for the Bear, can her lonely soul heal his angry heart? NOTE: This book includes bonus stories! AUTHORS NOTE: This is a full-length novel. Story contains mature themes and language and is intended for 18+ readers only.
