

## Vampire Samurai: My Sword and Fangs

My fathers name is Naoko Kasai. He is a handsome, brave, wealthy Samurai from the island of Tochigi, Japan. When he married my mother they wanted to have children right away. My father wanted the baby to be a boy to teach him how to be a Samurai, and fight side by side. Destiny intervened and a girl was born. My mother named me Aiko. A few days before I turned 11 years old, my father asked me what I wanted for my birthday. Without hesitation I told him that I wanted a sword. I earned my Samurai status when I was 18. Unfortunately, something terrible happened to me and my cousin Kiku when we went on vacation to Romania. Mongols and Turks invaded Japan and I am going to fight them to the death. And a mysterious good-looking vampire named Xander Van Buren is going to try to win my love...if Akemi Naito, my fiancée, allows it.
