

Goal Journal

Everyone has dreams and aspirations. At an early age people develop a picture of their future selves that depicts a life of happiness, fulfillment, and prosperity. Achieving that image, however, requires a series of successfully filled goals. Decades of advisors, motivational speakers, influential people, and captains of industry have recommended putting your goals in writing to constantly remind you of what you are trying to accomplish.

Goal Journal: Kahootie Co.: 9780989326575: : Books SET and ACCOMPLISH your #1 goal in 100-days.
